

AYRSHIRE SIRES OF THE FUTURE

To ensure the Ayrshire breed maintains its position as a breed of choice for New Zealand dairy farmers, we need to prove the bulls. And to do that, we need you!

The 2011 selection of Young Ayrshires are bred from a wide range of notable proven New Zealand and overseas sires, and consistent cow families. These young bulls represent a vibrant mix of genetics to improve BW, fertility and conformation for the Ayrshire breed.

- ★ Free registration for all two-year-olds sired by Semayr progeny test bulls.
- ★ Free classification for all your two-year-olds, if at least 20% are sired by Semayr Progeny Test bulls.
- ★ Not available until spring mating. All semen orders subject to availability. If semen cannot be provided, LIC will contact you to arrange a replacement.
- ★ Minimum 3 bulls and 20 straws in a Pak (equal quantities of each)

Obtain the newest Ayrshire genetics and help improve our sires of the future!
