## FREE 2 YR OLD T.O.P. - Am I eligible?

If at least 20% of your Ayrshire 2 year olds were sired by a minimum of 3 of the Semayr Breeding Services 2007 Progeny Test Team listed below, you are eligible for free 2 year old T.O.P.

Complete the following calculation to see if you meet the criteria:

No of 2 yr olds sired by sires listed below A. \_\_\_\_\_ divided by B. Total No of 2 yr olds in herd \_\_\_\_\_ = \_\_\_\_\_ %

If this figure is 20% or greater, congratulations, you are eligible to classify your 2 yr olds for free.

Please tick which of the following are sires of the two year olds to be classified.

## NEW CLASSIFICATION AWARDS

- For older animals the awards will be E (Excellent), V (VHC), H (HC) or F (Fair) followed by the Udder Overall and Dairy Conformation score separated by a dash. Therefore an Excellent cow with the final 2 scores of 8/8 will have the award E8-8.
- For 2 year olds the awards will be A, B, C or D plus the Udder Overall and Dairy Conformation scores separated by a dash e.g. B6-7

A cow must still reach 5 years of age to be eligible for an Excellent award, and the standard for Excellent has been increased to a minimum of Udder Overall 8 and Dairy Conformation 8, with only one score of 7 in the udder traits of Udder Support, Rear Udder & Front Udder acceptable.

10% discount available for payments made prior to Classification, tick if required

N.B. This offer is not available if your application is received after Friday 8 October 2010.
